Primary Responsibilities (many functions cross over or are shared as needed)
- Administrative Systems & Processes- Business and finance systems such as Banner, Cognos, E-Hire and other systems designed specifically for NMSU business functions.
- Career Development- Resources and strategies that effectively help employees strengthen their competencies and manage their career at NMSU.
- Leadership Development- Management essentials for both new and experienced supervisors and managers.
- General Compliance, Policies & Procedures- Workshops on benefit programs offered by NMSU, rights afforded employees under federal and state laws, and Human Resources policies and procedures.

CLPD also assists with Awards & Recognition programming and conducts customized training for departments as requested.

Training, Skills Development and Support
